

One Book South Dakota

What if everyone in South Dakota read the same book? That's just what the South Dakota Humanities Council invites us to do with the One Book South Dakota program. "The Whistling Season," by Ivan Doig is the One Book South Dakota selection for 2007 and is available at the Library now! Professor Kathy Antonen will be at the Library on **September 24 at 6:30 pm** to lead a book discussion, and Ivan Doig will be in Deadwood for the Fifth Annual Festival of Books **September 28-30, 2007**. Readers will have opportunities to listen to him share thoughts about the writing and publishing of his book. Join us in making this program successful and memorable! If you are interested in getting involved, please call the Library at 394-6139 Ext 238.

The Library has 25 copies available.

Did You Know?

When a plant contains a lot of chlorophyll it appears green, but there are also other pigments present such as purple, red and yellow; these pigments are masked by the green chlorophyll. During the fall, the production of chlorophyll decreases due to the change in temperature. This is when the other pigments appear and the leaves display brilliant colors.

THANK YOU!

The Library thanks the Black Hills Literacy Council for their generous donation of literacy materials in memory of Esther Paschke.

Friends of the Library Book Sale

In anticipation of their annual book sale in November, the Friends of the Library are gladly accepting donations of new or gently used books. For more information contact the Friend's president Keith Storm at 342-1009.

Introducing the Flood Wiki

The Rapid City Public Library is proud to introduce the **1972 Flood Wiki**. You can find the Wiki on the web at **1972flood.wikispaces.com**. The Wiki is an online documentation of the flood which includes your personal stories and photos from the flood. Access to the Wiki is public, so anyone can add to it. Contact the Library to find out how you can contribute.

The horse on display in the Library is one of 26 that are part of CASA's Stop Horsing Around program. The Stop Horsing Around program is designed to raise awareness for the 7th Circuit CASA program, which gives abused and neglected children in the Black Hills area a voice in court.
